The City Council of the City of East Grand Forks hereby ordains:

Section 1. Title XI of the City Code for the City of East Grand Forks is amended by adding a new Chapter 118 as follows:

CHAPTER 118: ADULT ESTABLISHMENTS

§ 118.01 FINDINGS AND PURPOSE.

Studies conducted by the Minnesota Attorney General and the Texas City Attorneys’ Association, as well as the cities of St. Paul, Alexandria, and Rochester, Minnesota; Indianapolis, Indiana; Phoenix, Arizona; Los Angeles, California; Seattle, Washington; St. Croix County, Wisconsin; Adams County and the City of Denver, Colorado, have examined the impact that adult establishments have on their respective communities. These studies concluded that adult establishments have an adverse impact on surrounding neighborhoods. Those impacts include increased crime rates, lower property values, increased transiency, neighborhood blight and potential health risks. The City Council of the City of East Grand Forks recognizes that the same or similar adverse impacts could occur in a smaller city. Therefore, the City Council makes the following findings regarding the need to regulate adult establishments:

(A) The public health, safety, morals and general welfare will be promoted by the city adopting regulations governing adult establishments;

(B) Adult establishments have adverse secondary impacts of the types set forth above, which are distinct from the impacts caused by other commercial uses;

(C) Residential neighborhoods located within close proximity to adult theaters, bookstores and other adult uses experience increased crime rates (sex-related crimes in particular), lower property values, increased transiency and decreased stability of ownership;

(D) The adverse impacts that adult uses have on surrounding areas diminish as the distance from the adult uses increases;

(E) Studies of other cities have shown that among the crimes which tend to increase either within or in the near vicinity of adult uses are rapes, prostitution, child molestation, indecent exposure and other lewd and lascivious behavior;

(F) Many members of the public perceive areas within which adult uses are located as less safe than other areas which do not have such uses;
(G) Studies of other cities have shown that the values of both commercial and residential properties either are diminished or fail to appreciate at the rate of other comparable properties when located in proximity to adult uses;

(H) It is not the intent to prohibit adult establishments from having a reasonable opportunity to locate in the city;

(I) Small cities experience many of the same adverse impacts of adult establishments present in larger communities; and

(J) The East Grand Forks City Council finds that adult uses will have adverse secondary effects upon certain pre-existing land uses within the City.
