116.01 PURPOSE.

Because the city recognizes that many persons under the age of 21 years purchase or otherwise obtain, possess, and use tobacco, tobacco products, tobacco related devices, electronic delivery devices, and nicotine solutions products, and such sales, possession, and use are violations of both state and federal laws; and because studies, which are accepted and adopted, have shown that most smokers or users of nicotine products begin using before they have reached the age of 21 years and that those persons who reach the age of 21 years without having started are significantly less likely to begin using nicotine; and because smoking and use of nicotine solution products have been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this chapter shall be intended to regulate the sale, possession, and use of tobacco, tobacco products, tobacco related devices, electronic delivery devices, and nicotine solutions products for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products and tobacco related devices, and to further the official public policy of the state in regard to preventing young people from starting to smoke or the use of nicotine solution products as stated in M.S. 144.391, M.S. 609.685 and 297F.01 as it may be amended from time to time.
